

RGK4

22MM ALUMINIUM TWISTLOCK KARABINER RGK4

The RGK4 is a lightweight version of the RGK3, but has the benefit of being significantly lighter, having a lower minimum breaking strength.

Although this item can be fitted to fall arrest lanyards, it is also used in conjunction with belay devices and pulleys in the rope access and rescue industries.

The RGK4 is fitted with a twistlock auto closure.
