

R3 PREMIUM REVOLUTION 3-POINT CONSTMAINT - DUALTECH - SIZE L/XL

Product use

2-point full body harness for use with a fall arrest device and suitable anchorage point. The robust Miller Revolution harness is ideal for scaffolding, steel erection, tower building and maintenance thanks to the unique Revolution technology and a multitude of key features. The PivotLink™ connections are located at waist level for a better ergonomic fit when bending or squatting. Fitted with a work-positioning belt for a comfortable hands-free position.
