LIFTING EQUIPMENT AND HEIGHT SAFETY SPECIALISTS

Quick Fit FRS Rescue MK2 #90296/QF/QRB

Product Code: 90296/QF/QRB

Description

Two point fall arrest harness, with 3 bar slide and rectangular link chest connection. Adjustable shoulder straps with a roller buckles to ensure the straps are positioned correctly. Adjustable length leg straps with quick release buckles. Includes an overhead rescue attachment and fitted with a 'Yoke' perforated shoulder comfort pad. The chest strap on this harness is a full chest strap going all the way around the chest to provide an exceptionally secure configuration which increases the distribution of load when using the front "D" ring

Material Specification

Polyester webbing with carbon steel, heat treated and zinc plated metal fittings
