Technical Specifications

Product: MB00
1002859 – Size Medium / Large
1002860 – Size Small

Main Features

Webbing

Around the belt:

Yellow webbing with black strips

Width : 44mm

Raw material : 100% Polyester

Breaking strength : > 2500 daN

Back pad

Black comfort pad:

Raw material: polyethylene foam

Length: 700mm

Width: 180mm

Fittings

Sides D-ring:

Raw material: Ø7 mm Stainless steel

Breaking strength: > 5000 daN

Closing buckles:

Raw material: 45 mm Aluminium alloy

Breaking strength: > 850 daN

Weight

1002859: 0.475 kg

1002861: 0.469 kg

Tests

Breaking strength: > 15 KN

Temperature: -30°C to +50°C

Standards

EN 358: WORK POSITIONING SYSTEMS
