

## Lightweight Aluminium Tripod Crane - 1000kg SWL

Aluminium lifting tripod at 3.5m when erected, 2.2m when collapsed. Hoist not included.

Model: ATC-3090

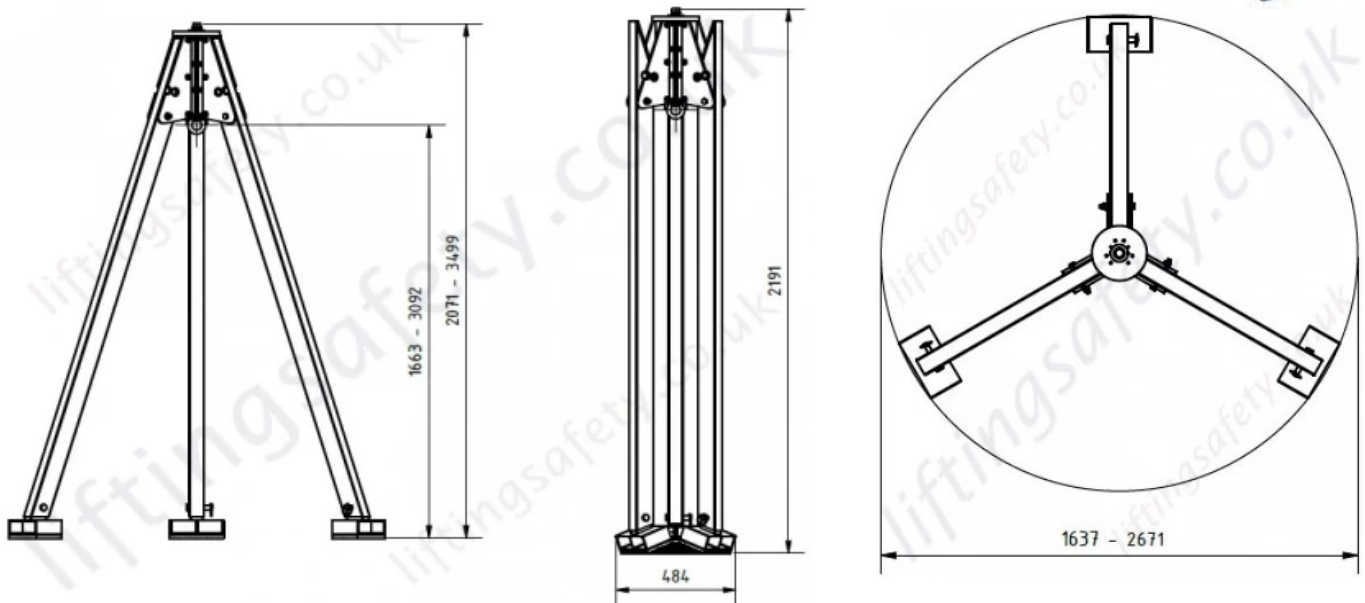

The Aluminium Tripod Crane is designed for the lifting of loads in places that are hard to reach with conventional devices.

### Tripod Features

- Greater adjusting range due to telescopic legs than standard lifting tripods.
- 57.5kg self-weight!
- Fully Collapsible which can reduce the overall length (e.g., for transportation) to 2191mm for easy storage.
- The tripod feet are fitted with non-slip rubber-metal linings, guaranteeing stability.
- Hoist not included.

### Dimensions

3 LINCOLN WAY, SHERBURN-IN-ELMET, LEEDS, WEST YORKSHIRE, LS25 6PJ, UK
