Ridgegears range of height safety kits are designed for multiple applications.

Each complete kit consists of a full body harness, a shock absorbing lanyard or restraint lanyard (or fall arrest system - RGHK3) and the connectors you require to ensure safe working at height conditions at all times

Every Kit can be supplied either in a Strong Case or a range of bags including a pump bag or a top quality rucksack, making it easy to keep all your height safety equipment close at hand and in one place!

This complete kit is our economy kit. The kit comprises of our famous RGH2 front & rear "D" harness and a RGL1 1.8m Lanyard which comes complete with RGK1 Karabiner.
