LIFTING EQUIPMENT AND HEIGHT SAFETY SPECIALISTS

FRS MK2 #90099MK2/YS/2QRB

Product Code: 90099MK2/YS/2QRB

Description

Two point, fall arrest harness, with quick release leg connectors and 3 bar slide, rectangular link chest connection. The interconnection of the shoulder straps with the chest strap is via welded rings which give greater flexibility when fitting and adjusting the harness as well as increased strength. Adjustable length shoulder straps with a 3 bar buckle to ensure the chest strap is positioned over the sternum area. The full chest strap has adjustment behind the shoulders to provide an exceptionally secure configuration, which improves load distribution. This harness features a shoulder comfort pad (Yoke), which is available in either a solid or extra breathable perforated material.

Material Specification

Polyester webbing with carbon steel, heat treated and zinc plated metal fittings

Product Code

90099MK2/YS/2QRB

Size/Length
